CORE COMPETENCIES

FULL SERVICE, CUSTOMER-ORIENTED, RESULTS-DRIVEN CONSTRUCTION COMPANY

Hank's Excavating & Landscaping, Inc is a diverse civil construction company based out of Belleville, Illinois, and led by Henry "Hank" Rohwedder. Building the project is only one aspect of what we do. We also assist with project budgeting, cost and time analysis, scheduling, and project planning. We work on hundreds of projects each year, from subdivisions to commercial and industrial development, from landfill reclamation to flood control initiatives. We are committed to quality workmanship, competitive pricing, and professional integrity in every project we do. In today's world of shrinking budgets and shorter timeliness for project completion, it is important to have a team player like Hank's Excavating on your side. We take pride in our innovative solutions to today's complicated construction problems, our ability to adapt to a changing industry, and our total commitment to getting the job done right the first time. The scope of work we can provide includes but is not limited to the following areas:

- | | | |
|--------------------------------------|---------------------------|------------------------------|
| ✓ Concrete Construction | ✓ Demolition | ✓ Pipe Bursting |
| ✓ Cellular Concrete Pumping | ✓ Water Line Installation | ✓ HDPE Pipe Fusion |
| ✓ Trailer Mounted Concrete Pumping | ✓ Sewer Line Installation | ✓ Sewer Televising |
| ✓ Asphalt Paving & Road Milling | ✓ Sewer Cleaning | ✓ Hydro Excavation |
| ✓ Soil Stabilization/Road Reclaiming | ✓ Culvert Cleaning | ✓ Earth Moving / Grading |
| ✓ Site Preparation | ✓ Trenching | ✓ Orbital Material Screening |
| ✓ Tree Removal / Brush Cutting | ✓ Directional Boring | ✓ Lawn Maintenance |

PAST PERFORMANCE

Dual Roundabouts on IL 158 at IL 15 and IL 13 Intersections, Belleville, IL
Illinois Department of Transportation
Contract Amount: \$ 4,715,469.05
Reconstruction of the interchanges from a diamond configuration to a dual modern roundabout interchange. Also consisted of the removal and replacement of a slab bridge just south of the interchanges.
POC Dave Parker (618) 578-8180
Dave.Parker@illinois.gov

St. Albans Levee Repair, St. Albans, MO
United States Army Corps of Engineers
Contract Amount: \$199,075.00
Fill placement of select soils for a levee breach repair. Installation of drainage structures and flap gates. Riverside foreshore foundation repair-excavation, re-construction and quarry run stone placement.
POC Kent N. Myers - (816) 389-3399

Repair Sewer Lines; Watnee to E. Losey - Scott Air Force Base, IL
DOD Department of the Air Force 375th Contracting Squadron (AMC)
Contract Amount: \$2,285,375.00
Replaced aging/failing sanitary sewer piping in multiple locations, including base housing between Watnee St. and East Losey St. as well as the Airfield. Replaced approximately 9,600 linear ft. of vitrified clay trunk sewer pipe with PVC sewer pipe, removed and installed multiple sanitary manholes, restored surfaces after sewer installation, including pavements, sidewalks, and landscaping.
POC Fawn Lee, Contract Specialist - (618) 256-9297
fawne.lee@us.af.mil

- ✓ Ability to do multiple facets of any civil construction project without the need for multiple subcontractors. From start to finish, large to small, Hank's can do it all.
- ✓ Ability to provide quick responses especially for emergency work. Emergency repairs of sewers, emergency roadway patching, and emergency demolition work are a mainstay for Hank's due to our ability to provide crews within hours.
- ✓ Hank's has held multiple contracts with various government entities including the Illinois Department of Transportation, DOD Department of the Air Force, U.S. Army Corps of Engineers, and multiple local government entities.
